Rand, McNally & Co.'s NEW REVERSIBLE CHART OF THE UNITED STATES WORLD.

A 10.00 Atlas condensed and compiled in the most comprehensive and ready reference manner possible, and printed on one sheet of paper. A large map of the world with a special Map of the United States, England and Wales, Germany and Norway and Sweden—comprehensive diagrams of mountains and rivers, an alphabetically arranged compilation describing every country in the world, and its location indexed. On the front of this marvelous publication we have printed the LARGEST and BEST MAP of the UNITED STATES ever made on a single sheet of paper. Each state is shown in separate color, with a special transparent outline designating state and county boundaries. It is carefully corrected to date, showing every line of railroad and all important cities and towns. It is large enough and complete enough to fully meet the demands of a student or business man. A child can, with this map, study the geography of the United States with intelligence. The reader can, with accuracy, locate the notable happenings of the day, and the merchant can lay out routes for his travelingmen, or ship goods with economy. In fact, it is a COMPLETE and ACCURATE map of the United States, 66x46 inches in size. On the other side we have printed the library chart of the WORLD.

A panorama of the surface of the globe, on Mercator's Projection, with its lands and water, mountains, rivers, lakes, bays, seas, and islands, all properly located and beautifully tinted by our patent process of oil colors. Around the margin of the map we have printed statistical and descriptive matter of more value than can be found in any volume that was ever published at Three Times the Cost. The different divisions of the world are arranged by continent to show their area, form of government, chief executive, capital, and population. A series of short articles arranged alphabetically give, in a remarkably concise and comprehensive form, a description of every country or government in the world, no matter how small, together with its chief products, exports and imports, and its exact location on the map shown by our ready reference index. Edges bound with tape, sticks top and bottom, ready to hang on the wall. The price of this map is \$5.00, but with a year's subscription to the GRAND RAPIDS HERALD will cost you only \$1.00. The subscriber can make his choice.

Table with subscription rates: Daily and Sunday Herald, one year, \$6.00; Reversible Map, 5.00; Total, \$11.00; Discount to subscriber, 4.00; We will accept for both, \$7.00; Weekly Herald, 1.00; Reversible Map, 5.00; Total, 6.00; Discount to subscriber, 4.00; We will accept for both, \$2.00; GRAND RAPIDS HERALD, Grand Rapids, Mich.
